PROFESSIONAL SUMMARY

MCA student with hands-on experience in full-stack web development through an ongoing internship at Kakunje Software Pvt. Ltd. Experienced in building scalable web applications using React.js, Node.js, MongoDB, and Supabase. Ranked 15th in Karnataka PG CET 2024 and a **winner of multiple inter-college coding competitions**, demonstrating strong analytical thinking and problem-solving skills.

Experience

Kakunje Software Pvt. Ltd. | Mangalore, Karnataka

Position - Web Application Development Intern

May 2026 – September 2026

- Developing and maintaining full-stack web applications using React.js, Node.js, and MongoDB.
- Contributing to the development of a Restaurant Management System, implementing modules such as table reservation, billing, inventory, payroll, and role-based dashboards.

PROJECTS

Resto | React, Node.js (Express), MongoDB

- Developed a full-stack restaurant management system with role-based dashboards for Admin, Manager, Cashier, Chef, Waiter, Delivery Staff, and Customers.
- Implemented modules including online ordering, table reservations, billing & payments, kitchen management, inventory tracking, employee attendance, payroll, delivery management, and analytics.

CineVerse | React, Supabase

- Developed a full-stack movie and series review platform with user reviews, likes, discussion and leaderboards.
- Implemented AI-generated audience summaries and intelligent content recommendations.
- Integrated OTT and BookMyShow links for seamless content discovery.

ACHIEVEMENTS

- Secured multiple top positions (1st & 2nd) in inter-college coding competitions, including Chakravyuha 2026, Tech Yuva 2025, Razzmatazz 2024, Samagra 2024, and Medha 2023.
- Secured Rank 15 in Karnataka PG CET 2024 (MCA).
